ALAN IGNACIO LOPEZ MORA

Information Technology Engineering

BIOGRAFÍA

My name is Alan Ignacio Lopez Mora, a responsible and committed IT professional with outstanding skills in programming, web development, and databases. Specialized in HTML, CSS, JavaScript, Angular, Java, and C++.

EXPERIENCIA

Sep. 2023 - Dic. 2023
OK Computer Software

Software Programmer
I developed a demonstration application to manage the liquor inventory in a bar. I used the Figma platform to design the user interface and created the code for both the front-end and back-end using the Flutter framework. I ensured that the application was compatible with various devices.

EDUCATION

Sep. 2020 - Dec. 2023
Bachelor's Degree in Information Technology Engineering
Polytechnic University of Sinaloa

Sep. 2017 - Aug. 2020
Especialidad en Física Matemática y Formación Informática
Jose Vasconcelos Cooperative High School
